

YACHT HARDWARE AND RIGGING TECHNICIAN

GOLD COAST YACHTS is a successful multi-hull designer and builder located on St. Croix, in the US Virgin Islands and seeks a full time YACHT HARDWARE AND RIGGING TECHNICIAN.

A successful applicant will have significant sailing experience and be capable of installing, trouble shooting and repairing;

- Masts
- Standing and running rigging
- Furling systems
- Sails
- Deck hardware
- Life lines and safety equipment

Applicant will also possess excellent communication and problem-solving skills and have other related experience such as:

- Composite boat building
- Installation of hardware in composite structures
- Ability to specify tools, equipment and parts
- General knowledge of all marine systems
- Ability to work closely with design and purchasing departments
- Ability to train and supervise a hardware installation team
- Ability to live and work full time in the US Virgin Islands

We offer a competitive wage and benefits package as well as the opportunity to enjoy the unique culture of Gold Coast Yachts and the Caribbean. Interested individuals should send their resume and a cover letter to amy@goldcoastyachts.com.
